

I started listening to K-LOVE over a year ago and if I told you how they have impacted my life, it would take a novel.

It is nice to know that I can turn on my radio and listen to positive encouraging music and not have to worry about inappropriate commercials, lyrics in songs, or dj's comments.

I am a 33 year old female, and I enjoy having the right to support and listen to a station like K-LOVE. If the FCC took K-LOVE off the air, I would not even turn my radio on anymore. I would go back to strictly listenin to my cd's.
